Supplement to Form 244

Thorn Run Regional Oncology Center is a satellite operation of Allegheny General Hospital, 320 East North, Pittsburgh, PA 15212. The control over the depleted uranium at the Thorn Run Regional Oncology Center will be controlled using the procedures and guides developed under NRC License #37-01317-01. Allegheny General Hospital has a specific license for depleted uranium under this license. Therefore, procedures are all ready in place for the physical control of depleted uranium. These procedures will be maintained and upgraded, as needed.
