6. Certification

I hereby certify that:

- a. All information in this registration certificate is true and complete.
- b. The registrant has developed and will maintain procedures designed to establish physical control over the depleted uranium described in 10 CFR 40.25(a) and designed to prevent transfer of such depleted uranium in any form, including metal scrap, to persons not authorized to receive the depleted uranium.
- c. I understand that Commission regulations require that any changes in information furnished by a registrant on this registration certificate be reported in writing to the Director of Inspection and Enforcement within 30 days after the effective date of such change.
- d. I understand that the registrant is required to comply with the provisions of Section 40.25 of the NRC's regulation 10 CFR Part 40 (reprinted on the reverse side of this form) with respect to all depleted uranium which the registrant receives, acquires, uses, or transfers under the general license for which this registration certificate is filed with the Nuclear Regulatory Commission.
