United States General Accounting Office

Dear Mr. Cramer:

This is in response to your letter dated July 31, 2003, concerning the availability of home addresses for U.S. Government Officials on the Internet.

As a result of your recommendations, we conducted a search of various Internet sites to determine the extent of information that can be easily obtained on key Nuclear Regulatory Commission (NRC) officials. We informed appropriate NRC senior management officials of our findings and the concerns expressed in your letter. In addition, we plan to issue a security bulletin to inform all our employees of the availability of such information on the Internet and explain what they can do to remove their names from these Web sites.

Please contact Calvin Byrd at 301-415-7402 if you have any additional questions.

Sincerely,

/RA/

Michael L. Springer, Director
Office of Administration
