SUBJECT: SCHEDULE REVISION FOR THE REVIEW OF THE FORT CALHOUN
STATION, UNIT 1, LICENSE RENEWAL APPLICATION

Dear Mr. Ridenoure:

Enclosed is a revised schedule for the review of Fort Calhoun Station, Unit 1 (FCS), license renewal application. The revised schedule reflects the removal of the optional final inspection, originally scheduled for August 14, 2003. This inspection has been removed from the review schedule because the inspection team has concluded that there are no remaining issues associated with the license renewal scoping and screening inspection, conducted in November 2002, or the aging management review inspection, conducted in January 2003. If you have any questions on this revision to the review schedule, please feel free to call me at 301-415-2853.

Sincerely,

/RA/

William F. Burton, Project Manager
License Renewal Section
License Renewal and Environmental Impacts Program
