**SUBJECT: Revision of Cover Letter to Previously Transmitted Changes to
Emergency Plan Implementing Procedures (EPIP)**

In Reference 2, Omaha Public Power District (OPPD) transmitted changes to the EPIP. In that transmittal, one of the procedure changes was inadvertently omitted from the Reference 2 cover letter. However, all of the changes listed below were actually attached to the Reference 2 transmittal. This letter is to correct the list of items actually transmitted in Reference 2.

The document update instructions and summary of changes were already included in the Reference 2 transmittal. The Confirmation of Transmittal forms are currently scheduled to be returned to Fort Calhoun Station by September 12, 2003.

The revised documents included in the Reference 2 transmittal were:

EPIP Index page 1 of 3 issued 07/17/03
EPIP Index page 2 of 3 issued 07/17/03
EPIP-EOF-19 R8 issued 07/17/03 (originally omitted)
EPIP-OSC-2 R42 issued 07/17/03
