Subject: Proposed Standard License Renewal Application Format Package

We are transmitting to you a copy of the May 2003 version of the industry's Proposed Standard License Renewal Application Format Package. This will support your development of a license renewal Safety Evaluation Report (SER) template that is consistent with the version of NEI 95-10, Industry Guideline for Implementing the Requirements of 10 CFR Part 54 - The License Renewal Rule, to be issued in the fall.
