Subject: Ready for testing....for Release 4  
Place: NRCWEB

The following items are in VSS and ready for testing. The files will need to be deployed to the testing location and to 300. The Location of the files are as follows:

**Power Uprates:**

/reactors/operating/licensing/power-uprates.html  
/reactors/operating/licensing/power-uprates/pwrup-files  
/reactors/operating/licensing/power-uprates/approved-applications.html  
/reactors/operating/licensing/power-uprates/pending-applications.html  
/reactors/operating/licensing/power-uprates/expected-applications.html

**Generic Fundamentals Examination:**
