Subject: Items for deployment at 4pm today
Place: NRCWEB

The following files need to be deployed today at 4pm.

/reactors/operating/ops-experience.html
/reactors/ql-reactors.html
/reactors/operating/licensing/renewal.html
/reactors/operating/licensing/power-uprates.html
/reactors/operating/licensing/techspecs.html

Fire Protection Files (scheduled for release today)

/reactors/operating/ops-experience/fire-protection.html
/reactors/operating/ops-experience/fire-protection/regs-guides-comm.html

Human Factors Files (scheduled for release today)

/reactors/operating/ops-experience/human-factors.html

License Transfers and Mergers Files (scheduled for release today)

/reactors/operating/licensing.html
/reactors/operating/licensing/license-transfers-mergers.html

NOTE:

The **Human Factors** database files located in the document collections **WILL NOT** be released today - per Fran's request these files will be discussed next week at which time a decision will be made when to release them and what format etc....
