Margie:

Rumor has it that you are scheduled to be back in the office today. I would like to bring you the draft supplemental EIS for Catawba license renewal so that you can perform your review for sensitive information.

Bill Reckley took care of the McGuire DSEIS review last week - so ignore the numerous frantic messages that I left trying to locate you before I discovered you were out of the office.

We hope to go to the printers later this week with Catawba and need your sign-off so that we can distribute it and get it on the web.

Please give me a call at 415-1108, or e-mail, when you get in this morning.

Thanks, Jim.
