Dear Ms. Spangler:

The Nuclear Regulatory Commission wishes to express our sincere gratitude for allowing us to conduct our August 12, 2003 public meetings at the Oak Harbor High School Auditorium. Without your cooperation, and the effort of Mr. Robert Stucker in setting up the auditorium and in operating the sound system during these meetings, the meetings would not have been as successful as they were. We have received favorable feedback from public that attended on the accommodations.

Thank you for your willingness to accommodate us. It is very much appreciated!

Sincerely,

/RA/

Branch 4
Division of Reactor Projects
