Subject: Re: Board Notification in CFC Logistics

Steve -- I tried to get the Board Notification from ADAMS this morning, and it was not there. I then called the PDR. The PDR has the document in its internal system, but it has no release date. Therefore it hasn't been replicated to the public ADAMS system yet.

The librarian did give me the accession numbers for the four attachments:

ML031340781
ML031350757
ML031340779
ML031350774

I was successful in getting those documents. They relate to post-9/11 security measures for irradiators.

Given that the oral argument is just a few days away, and the Board Notification seems to be relevant to security issues raised in Petitioners' stay motion, I would like to get the Board Notification today. Please send it by e-mail.

Thanks -- Diane Curran
