TRANSMITTAL OF AN EXAMPLE OF THE LEVEL OF DETAIL TO BE FOUND IN SECTIONS OF THE YUCCA MOUNTAIN REPOSITORY LICENSE APPLICATION

In response to requests from the U.S. Nuclear Regulatory Commission (NRC) staff, the U.S. Department of Energy is providing example text and figures representative of the type and amount of information to be included in sections of the Yucca Mountain Repository License Application. The example text and figures describe a heating, ventilation, and air-conditioning system. The enclosure does not reflect a particular design solution for the License Application (LA); however, it is representative of the level of detail that would be in the LA. This material is being provided for informational purposes only, not for NRC technical review.

There are no new regulatory commitments in the body of, or enclosure to, this letter. Please direct any questions regarding this letter to Joe C. Price at (702) 794-1441 or Paul G. Harrington at (702) 794-5415.

Joseph D. Ziegler, Director
Office of Licensing Application & Strategy
