NRC ACTIVITY

Regulatory Guides Issued for Public Comment

Draft regulatory guide DG-1098, "Safety-Related Concrete Structures for Nuclear Power Plants (Other than Reactor Vessels and Containments)." This guide is being revised (proposed Revision 2 to Regulatory Guide 1.142) to propose guidance on methods acceptable to the NRC staff for complying with the NRC's regulations on the design, evaluation, and quality assurance of safety-related nuclear concrete structures, excluding concrete reactor vessels and concrete containments.

Draft guide, DG-1100 "Design Guidance for Radioactive Waste Management Systems, Structures, and Components Installed in Light-Water-Cooled Nuclear Power Plants," This guide is being revised (proposed Revision 2 to Regulatory Guide 1.143) to propose guidance on methods acceptable to the NRC staff for complying with the NRC's regulations on the design, construction, installation, and testing of radioactive waste management facilities, and the structures, systems, and components in light-water-reactor nuclear power plants.

Issuance, and availability of DG-1098 and DG-1100 were announced in the Tuesday, September 12, 2000 Federal Register.

Planned Regulatory Guide on Anchorage to Concrete

A draft regulatory guide DG-1099, "Anchoring Component and Structural Supports in Concrete," will be scheduled for issuance following the publication of ACI 349-00, Appendix B, "Anchoring to Concrete." The draft guide will generally endorse ACI 349-00, Appendix B with an exception in the area of load combinations. Some supplementary recommendations will be offered in the areas of installation, materials, inspection, and anchoring in masonry.

How to get copies of Regulatory Guides

Requests for single copies of draft or active regulatory guides (which may be reproduced) or for placement on an automatic distribution list for single copies of future draft guides in specific divisions should be made in writing to the U.S. Nuclear Regulatory Commission, Washington, DC 20555, Attention: Reproduction and Distribution Services Section, or by fax to (301)415-2289; or by email to DISTRIBUTION@NRC.GOV. Electronic copies of this draft guide are available through NRC's web site, www.nrc.gov.
