**Subject:** Table of documents to be reviewed

Attached is a WordPerfect version of the table of NRC documents that are routinely released to the public. This list is taken from Exhibit 1 of Management Directive 3.4 "Release of Information to the Public." I've also attached the entire Management Directive in a PDF file.

This list needs to be reviewed in light of the revised criteria. I added columns to this list so the items can be classified as we discussed at the last meeting. Take a brief look at the list before our meeting tomorrow. We need to decide how to proceed in determining what documents should be reviewed prior to release.
