Subject: Approval to Post NUREG/CR-6759 and -6760
Place: NRCWEB

Please post NUREG/CR-6759 and NUREG/CR-6760 to the NRC public web site. These documents have recently been approved for publication in paper form. The sensitivity reviews, which were made for each paper publication, also apply to the web postings. Based on the sensitivity reviews (see attachment), it has been determined that NUREG/CRs-6759 and -6760 do not contain information that could provide a clear and significant benefit to a terrorist in a potential attack.

Thanks,
