Subject: NRC-STP Web Site

Attached is a pdf file containing 55 passwords for the states, regions, and NMSS. If you need additional usernames and passwords just let us know. Users of the site will be asked for a 'username' and 'password'. If they use Internet Explorer as their browser they will also be asked for a domain. The domain is 'hsrd.beia' (just the words inside the single quotes).

The new version of the SS&D web page is now installed (password access only).

The whole site will continue to require password access until we are advised differently by you.
