SUBJECT: Response to Request for Additional Information
NRC License STB-527

Dear Mr. Nalluswami,

In your letter dated December 26, 2002, you requested TDCC's response to NRC's Request for Additional Information (RAI's) on the Revised Supplement to the Decommissioning Plan within 45 days.

Due to TDCC's detailed evaluation of the implications of the NRC staff position related to application of MCLs and background subtraction, RAI responses are taking longer than 45 days. Therefore, TDCC's response to RAI's will be submitted on 3/10 as opposed to 2/10 (NRC's requested date).

Please contact me at (989) 636-0787 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Ben Baker".
