SUBJECT: Response to Request for Additional Information (TAC NO. MB9109)

Dear Sir,

Please find enclosed the response to your questions on the changes to the Physical Security Plan for the University of Illinois Nuclear Reactor Laboratory. The changes made do not reduce the effectiveness of the plan and thus fall under 10 CFR 50.54 (p). Please note that the attached materials are 10 CFR 2.790 (d) Information.

For your convenience I have attached the following:

- a discussion of the changes
- a copy with revision marks
- a copy with changes incorporated

If there are any questions, please do not hesitate to contact me.

Sincerely,

Richard L. Holm
Reactor Administrator
