

October 22, 2003

Director, Office of Nuclear Material Safety and Safeguards  
U. S. Nuclear Regulatory Commission  
Washington, D. C. 20555-0001

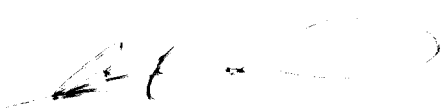

RE: Atlantic Research Corporation  
7499 Pine Stake Road  
Culpeper, VA 22701

Change of Ownership Notification and Request for Change of Registration  
For Use of Depleted Uranium Under General License - FILE NO. 175

This letter and Certificate of Registration is to notify you that Aerojet-General Corporation (Aerojet) has acquired the Atlantic Research Corporation facility located at this address effective October 17, 2003. The referenced Registration Certificate should now be voided and a new Registration Certificate issued as indicated in the enclosed application.

Questions regarding this request should be addressed to: Ernest W. Geiman  
Aerojet - General Corporation  
7944 Pine Stake Road 22701  
540 854-2034

Sincerely,

Ernest W. Geiman  
Manager Product Assurance  
Aerojet - General Corporation
