Mr. Bruce S. Mallett
Regional Administrator
U. S. Nuclear Regulatory Commission
Region IV
611 Ryan Plaza Drive, Suite 400
Arlington, TX 76011-8064

Dear Mr. Mallett,

Please find enclosed a hard copy of the Revised NRC Compliance Report, dated October 2003, and a hard copy of our *Five Year Sales Report*.

These items have been e-mailed to Messrs. Bill Ward and Randy Erickson.

To my knowledge this concludes all of the open items which the NRC required of us in Amendment to Confirmatory Action Letter 4-2-005, dated September 19, 2002. We hope this will bring to conclusion the investigation regarding the license of 21st Century Technologies, Inc.

Thank you very much,
21st Century Technologies, Inc.
