

03/14/02 Wayne Hodger

Allegre called and asked to meet with Wayne.
Came in Tuesday afternoon.

Tried to discuss discrimination concerns,
but Wayne advised him that those are being
handled by RIII and he should not discuss them.

Wayne indicated that we are handling only
the two technical concerns, and Wayne asked
Allegre to send us more specific information
about the concerns. Allegre said he would do so.

Wayne will write a summary of the
conversation with the allegre.
