The subject Green Ticket, for appropriate action, formally invites the NRC to send an inspector to participate in the electrical inspection at Pickering the week of Nov 17 - 21. The letter notes that CNSC had contacted Brian Holian in Region I about a similar inspection - the AIT at Peach Bottom. We have already made arrangements to send Tom Koshy to participate in the Pickering inspection, and his participation has been coordinated with CNSC. On this basis, we conclude that the appropriate action has been taken and G20030669 is complete.
