Ms. Ranger:

Hello - I've been assigned the case for your company's request for the site distribution address change dated 9/27/2003, and John Jankovich wanted me to e-mail you before I get started on this as to whether or not the Warren, NJ address should be deleted.

I read through your request and on Page 2 of the application it appeared to me that there was no change to it, however; since I was asked to contact you could you just clarify that for me. Thanking you in advance for your response.
