U.S. Nuclear Regulatory Commission  
Document Contact Desk  
Washington, DC 20555-0001

Ref : Vermont Yankee Docket 50-271

To Whom It May Concern:

I am writing to request addition of the Windham Regional Commission (WRC) to the mailing list for this docket. The WRC is a party to Vermont Public Service Board (PSB) proceedings under 30 V.S.A. Section 248, and is participating in the current PSB hearings regarding power uprate. The WRC also intends to participate in other anticipated proceedings before the PSB. The WRC wishes to remain on this mailing list until the power uprate application is finally decided. Please send all information and materials to my attention at address below. Thank you.

Sincerely,

James P. Matteau  
Executive Director

cc: Robert M. Pulsifer, Project Manager  
Office of Nuclear Reactor Regulation
