Ms. Murphy:

I have the November 18, 2003 letter from Dr. Lodhi (NRC) to Mr. Wood (CFC Logistics) and will fax it to you now. You took down the ADAMS accession number (ML033220563) correctly, and I do not know why you were not able to access the document. When you encounter an access problem, I suggest you call the Public Document Room (PDR) technical reference librarians at 1-800-397-4209.
