 090301 - Section VII.A.1
 100310 - No, No, Yes, Discretion

Facts: The licensee proposed material not covered by its license and terminated employment of its RSO without obtaining NRC approval to fill the position

1. A contractor of the licensee received an overexposure > 5 times the regulatory limit (20.1201),
2. the licensee did not perform surveys adequate to evaluate airborne contamination
3. the licensee possessed material not covered by its license
4. the licensee lost a Sr-90 source, and
5. the licensee terminated employment of its RSO without obtaining NRC approval to fill the position.
