Subject: Please extend the comment period for draft criteria

Chief,
Rules and Directives Branch
U.S. NRC Headquarters
By email: nrcprep@nrc.gov

Dear NRC,
This letter requests a 30-day extension to the announced 30-day public comment period for draft criteria published in the Federal Register [November 26, 2003, Vol. 68, No. 228, Page 66501-66503] that would codify currently non-compliant operator manual actions and forgive long standing and widespread fire protection violations at U.S. nuclear power stations.

I live in the northeast and I have serious concerns about the state our nuclear power plants.

Sincerely,

Amy Shollenberger
