Dear Administrative Judges:

This letter is in response to the Further Prehearing Order, dated December 2, 2003 regarding the hearing file. You requested the NRC Staff to designate a hearing file liaison, who would assure that if electronic access to hearing file documents cannot be achieved, paper copies of those documents are expeditiously provided to the requesting party. Order, at 2. The Staff has made the following arrangements, which make use of existing Staff expertise.

If any participant in this proceeding has difficulty accessing any document in the hearing file, he should contact the Public Document Room ("PDR") Staff by one of the following means: (1) toll free, at 1-800-397-4209, between 8:30 a.m. and 4:15 p.m., Eastern Time; (2) by e-mail at pdr@nrc.gov; or (3) locally, at (301) 415-4737.

The librarians in that group are highly skilled in providing assistance to access NRC public documents. If there are further problems, the requester should contact Mr. Thomas Smith, Team Leader for the NRC Technical Library and Acting Section Leader of the PDR/ADAMS Support Center, at (301) 415-7204. Based upon discussions with Jennifer Murphy (of Robert Sugarman's office) and Chris Pugsley, the Staff believes that these contacts will be able to address any ADAMS document access issues.

You have also asked for a contact to provide a paper copy of any document that is unable to be accessed by the requester electronically. Should that occur, they may contact me at (301) 415-1684, or by e-mail at shl@nrc.gov. In the terminology of your order, therefore, I should be identified as the hearing file liaison.

Sincerely,

/RA/
