Survey Unit Classification

 Class 1

 Class 2

 Class 3

Notes

1) Location of Class 1 and Class 2 boundaries around the MDNR Landfill are based on MACTEC, 2003. The Final Status Survey for the MDNR Landfill will be conducted by the MDNR as the licensee for that SDMP Site (License No. SUC-1581).

2) Class 3 areas are all other areas of the site, including the East Landfill, not classified as Class 1 or Class 2.

0 500 1,000 2,000 Feet
1:12,000
1 inch equals 1,000 feet

Figure B-3
Schedule for Implementing the Decommissioning Activities
SCA Hartley & Hartley Landfill Site
Kawkawin Township, Michigan

- Notes:
1. This schedule was developed based on the timeframes discussed with the USNRC on February 23, 2001.
 2. S.C. Holdings acknowledges that the dates shown on this schedule are contingent upon the USNRC's approval of the Decommissioning Plan if S.C. Holdings determines that the decommissioning cannot be completed as outlined in the schedule, S.C. Holdings will provide an updated schedule to the USNRC.
