**SECOND INTERIM APPLICATION OF COOCH AND TAYLOR,
COUNSEL FOR GEOFFREY L. BURTCH, CHAPTER 7 TRUSTEE, FOR
COMPENSATION AND REIMBURSEMENT OF COSTS AND EXPENSES**

This is a Second Interim Application for Compensation and Reimbursement of Costs and Expenses, by Cooch and Taylor, ("C&T") attorneys for Geoffrey L. Burtch, the duly appointed Chapter 7 Trustee in the above-captioned bankruptcy case. This Application correlates to the time period July 21, 2003 up to and including October 31, 2003. In support of this Application, C&T alleges as follows:

BACKGROUND

1. On March 17, 1999 (the "Petition Date"), the Debtors filed voluntary petition(s) for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). On March 17, 1999 an Order was entered directing consolidation and joint administration of the cases under Case Number 99-615.

2. On February 21, 2003, this Court entered its Order granting the Debtors' motion to convert the cases to cases under Chapter 7 of the Bankruptcy Code. Docket No. 1959. Jeoffrey L. Burtch, Esquire, was appointed as interim trustee of the estate on March 3, 2003 and is serving as trustee (the "Trustee") of these estates pursuant to Section 702(d) of the Bankruptcy Code.

3. C&T is employed to represent the Trustee, nunc pro tunc to February 21, 2003. Docket Nos. 1980 and 2012.

4. C&T has rendered legal services on behalf of the Trustee from the period July 21, 2003 through October 31, 2003 totaling approximately 267.8 hours, correlating to approximately \$54,099.00 in requested compensation.

5. C&T maintains contemporaneous records of the time expended for the professional services rendered and costs and expenses incurred in connection with this Chapter 7 case and such records are maintained in the ordinary course of its business. These records provide a detailed description of the services rendered and costs and expenses incurred during the period for which this Motion is being made. C&T has reviewed the information requirements of Local Rule 2016-2 of the Local Rules for the United States Bankruptcy Court for the District of Delaware, and believes that this Motion complies with that Rule. In particular, the information required by Section (c) (i) of Local Rule 2016-2, Section (c) (ii), and Section (e) (i) of Local Rule 2016-2 are included as part of this Motion in attached cover sheets. C&T's time records and activity descriptions for the legal services in the sum of \$54,099.00 are attached as Exhibit A. Compensation by Project Category of Local Form 102 is part of this Motion and contains project summaries of the time detail.

DESCRIPTION OF SERVICES AND RELIEF REQUESTED

6. The Debtors chapter 11 cases were originally filed in an effort to complete an efficient restructuring of the Debtors' operations. During the Chapter 11 portion of these cases, the Debtors, in consultation with the Official Committee of Unsecured Creditors and The Bank, subsequently determined that an orderly sale of its assets was the best means of maximizing value for their estate and creditors. While the sales of the hospitals and/or the assets of the hospitals was conducted during the Chapter 11 portion of these cases, numerous issues have continued to exist regarding personal injury claims, Medical and Medicare reports and audits, HCFA and insurance issues, residual collections on accounts receivables, adversary actions, and the location of unknown assets and claimants.

7. C&T has represented the Trustee in matters related to this Chapter 7 bankruptcy case as detailed in the above Attachment. C&T advises the Trustee on a regular basis with respect to legal matters in connection with the liquidation of assets, analysis of litigation, and all other matters arising in the performance of the Trustee's duties. C&T's activities have included the following:

- a. Analysis, prosecution and/or review of approximately 75 pending complaints against third parties, including preference and turnover actions, including preparation of complete status reports for the Trustee and U.S. Trustee's Office.
- b. Analysis of residual assets or potential assets of the Estate for recovery by the Estate, including review of numerous stipulations entered into by the Chapter 11 Estate.
- c. Review of filed administrative expense claims.
- d. Responding to litigation commenced or potential litigation claims of third parties against, or involving the Estate.
- e. Responding to various creditor inquiries concerning the Estate.

- f. Drafting and filing of other pleadings necessary for the administration of this bankruptcy case.
- g. Respond to motions or requests for relief from the automatic stay, many involving unliquidated personal injury claims arising from the operation of the hospital facilities.

8. C&T further requests reimbursement of costs expended from July 21, 2003 through October 31, 2003 in connection with this Chapter 7 case in the sum of \$1,529.82 (see Expense Summary). The expenses incurred by C&T include long-distance telephone calls, Federal Express deliveries and receipts, facsimile transmissions, and postage, all of which C&T normally bills to its non-bankruptcy clients. The rate C&T charges non-bankruptcy clients for photocopies is 25 cents per page and facsimile charges are \$1.00 per page. For purposes of this Motion, photocopies are charged at 15 cents per page and outgoing facsimile transmissions are charged at 50 cents per page. Federal Express deliveries are billed at cost. There is no charge for incoming facsimile transmissions.

9. C&T believes and avers that the post-conversion services rendered during the period between July 21, 2003 through October 31, 2003, on behalf of the Trustee are reasonably worth the sum of \$54,099.00 and C&T requests the allowance and payment of such sum. The blended hourly rate for all services rendered by C&T is \$202.01.

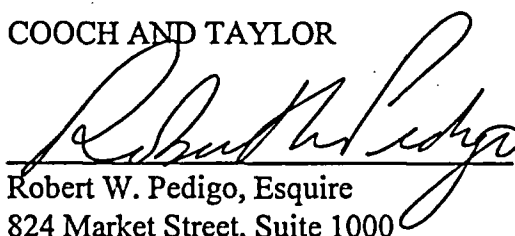

WHEREFORE, C&T respectfully requests that this Court enter an Order in the form attached to this Motion.

DATED: November 26, 2003

Respectfully Submitted,

COOCH AND TAYLOR
