Dear Dr. Diaz:

I am writing in response to the letter that former Chairman Richard Meserve sent to Governor Tim Pawlenty requesting designation of the State Liaison Officer (SLO) to the Nuclear Regulatory Commission (NRC). As noted in the letter, the NRC has continued to work with me as the SLO. At this time, I would like to assign this responsibility to Patricia Bloomgren, Director, Environmental Health Division of my department. Because of her experience and knowledge of emergency preparedness procedures, I feel this designation will provide a strong partner for the NRC and the State Homeland Security Officer. Ms. Bloomgren's office is located at the Metro Square Building, 121 E. 7th Place, Suite 230, with a mailing address of P.O. Box 64975, Saint Paul, MN 55164-0975. Her phone number is 651-215-0731, emergency pager number 800-692-1633, and e-mail patricia.bloomgren@state.mn.us.

Please contact me if you need any additional information.

Sincerely,

A handwritten signature in cursive script, reading "Dianne M. Mandernach", is written over the printed name.
