TEAM LEADER: Zelig Falevits, Region III, (630) 829-9717

PERIOD OF PERFORMANCE: 12/05/03 - 01/15/04

BACKGROUND

Region III is reviewing licensee actions preparatory to restart of the Davis Besse nuclear plant, near Toledo, OH. Task Order No. 017, Davis Besse Corrective Action Team Inspection addressed some of these actions. The purpose of Task Order No. 026 is to follow-up on mechanical issues resulting from Task Order No. 017.

OBJECTIVE

The objective of this task order is to obtain expert technical assistance to support the NRC inspection team in evaluating preparations for the restart and operation of the Davis Besse nuclear plant. Activities include:

- 1) Review basis of licensee's minimum flow test criteria and requirements used for HPI testing.
- 2) Review licensee HPI pump minimum flow test results.
- 3) Review CATI draft report mechanical issues including URIs and NCVs which were originally identified by the CATI mechanical inspection.
- 4) Review licensee response to some of the mechanical open issues, prior to closure.

WORK REQUIREMENTS AND SCHEDULE

It shall be the responsibility of the contractor to assign qualified technical staff, employees, and subcontractors, who have the required educational background, experience, or combination thereof, to meet both the technical and regulatory objectives of the work specified in this Statement of Work (SOW). The NRC will rely on representation made by the contractor concerning the qualifications of the personnel proposed for assignment to this task order including assurance that all information contained in the technical and cost proposals, including resumes and conflict of interest disclosures, is accurate and truthful.

Attachment

The Team Leader may issue technical direction from time to time during the duration of this task order. Technical direction must be within the general Statement of Work stated in this task order, and shall not constitute new assignments of work or changes of such nature as to justify an adjustment in cost or period of performance. The contractor shall refer to the basic contract for further information and guidance on any technical directions issued under this task order.

Any modifications to the scope of work, cost, or period of performance of this task order must be issued by the Contracting Officer and will be coordinated with the Project Officer. Specific tasks under this task order are:
