**Place:** OGCMailCenter

Attached is a letter to the Presiding Officer and Special Assistant stating that the NRC Staff has elected not to respond to the Intervenor's renewed motion for stay. The letter supersedes Staff's statement on the November 12, 2003 telephonic prehearing conference (Tr. 299-300) that it would be responding to that motion. The letter also states again the Staff's decision, stated in its July 24, 2003, not to participate as a party to this proceeding, except on the issues of financial assurance and physical security.
