Dear Mr. DeLaBarre:

Enclosed are letters from Transnuclear, Inc., and the Department of Energy requesting an amendment to export license XSNM03171. The proposed Amendment No. 05 is to transfer the export license from Transnuclear, Inc. to the U.S. Department of Energy, National Nuclear Security Administration Y-12 Site office (NNSA YSO) as indicated. No other changes to the export license are requested.

Parties to the export license agreed that having NNSA as the licensee more clearly reflects how the title and possession of the material is to be transferred. Transnuclear, Inc. will no longer be involved.

We intend to issue the license after the required 30-day waiting period, unless you contact us.

Sincerely,
