Stephen Lewis:

We are able to access the ADAMS document ML033220563, but we do not have the drawings 36783-016-000, 36783-017-000 and 36783-019-000. In addition, intervenors need the correspondence between Revis Services and CFC Logistics regarding water entering the plenum. These documents were requested one month ago. They are referred to in ADAMS, but the drawings and documents do not appear in ADAMS.
