Dr. Resnikoff:

This is a courtesy reply to your e-mail. It is my practice not to respond to e-mails related to an administrative proceeding on which I am Staff Counsel, unless those e-mails come from counsel. I have provided the information to Attorney Jennifer Murphy in Mr. Sugarman's office that should have enabled you to access the drawings. I just spoke with Ms. Murphy and she will make certain you have all of this information.

Stephen Lewis:

We are able to access the ADAMS document ML033220563, but we do not have the drawings 36783-016-000, 36783-017-000 and 36783-019-000. In addition, intervenors need the correspondence between Reviss Services and CFC Logistics regarding water entering the plenum. These documents were requested one month ago. They are referred to in ADAMS, but the drawings and documents do not appear in ADAMS.
