

Memorandum

DATE: JUN 15 1987

REPLY TO RW-24
ATTN OF:

SUBJECT: HQ/OGR Review of BWIP QA Plan, Revision 2

TO: John Anttonen, BWIP

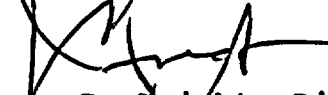

We have reviewed the BWIP QA Plan, DOE/RL 86-6, Revision 2, enclosed with your letter dated March 3, 1987. This review was performed in conjunction with a review of the NRC comments on Revision 1 of this Plan (letter from J. Linehan-NRC to J. Knight-HQ/OGR, dated March 9, 1987 with the NRC Enclosure 2).

The above mentioned letter from NRC, along with Enclosure 2 was forwarded to your attention via my memo dated June 1, 1987.

We will approve the Revision 2 document following incorporation or resolution of the NRC comments. Please resubmit the revised document for our review and approval. Your submittal should include a checklist showing where in the Plan you have addressed each comment.

If you have any questions, please contact Carl Newton at FTS-896-5059.

Sincerely,

James P. Knight, Director
Siting, Licensing & Quality
Assurance Division, Office of
