CONVERSATION			
SUBJECT BWIP			
SUMMARY We discussed geologic maps in more detail than the maps of ST-4, 1979. I asked for contract n.d.s. for add'l mapping under tectonic studies. This needs followup. The borehole info. I requested in Dec. 1983 was forwarded to DOE. The info. hasn't been received by NRC. RA. Whitney and R. Galster's trip reports sent to S. Price. S. Price asked about Nat'l resources and ST-19P info. promised by NRC. This needs followup.
