Confirming my conversations on July 14 and 15 with David Squires and Larry Fitch, we request that the following materials be available, for examination in Richland, with respect to the boreholes listed in my telefax memorandum of July 7, 1982:

- 1) Drilling history.
- 2) Testing history.
- 3) Testing interval report.
- 4) Drill log.
- 5) Basic field data and analyses for selected tests at selected test intervals; the selections will be made during review of the borehole data, after discussion with project personnel.
- 6) If needed, color photographs of selected drill core.
