Purpose Of Telecon

Discuss Request for Proposal for Pitting Kinetics Study

Text Of Telecon

- (1) Mr. McNeal proposed we give him the name of the contractor for pitting kinetics work when awarded so that he could contact them and supply the data they had on pitting.
- (2) I suggested that he transmit the information that he had to me through F. R. Cook since the contractual responsibility was ours. I told Mr. McNeal that when the contractor selection was made we would be sure to transmit the information to the contractor.
- (3) He said he would send copies of the information.

M. J. Smith
