SUBJECT

Amendment Request to increase possession limits to 350,000 ci and lack of commitments as regards disposal of H3 waste.

SUMMARY

A special condition requiring the limitation of stored H3 waste to 10% of the possession limit will be incorporated into the license.

The licensee has the option of requesting a license amendment to have this condition changed or eliminated when they have made definite progress in waste disposal or have a program in place with dates established for disposal goals.
