Dear Mr. Olson:

For your information, I enclose two copies each of the following documents:

Basalt Waste Isolation Project (BWIP), Hanford, Washington, Geology Workshop, 13-15 March 1984", a memorandum by Richard Galster, U. S. Corps of Engineers, April 12, 1984.

Letter report by Robert A. Whitney, consulting geologist, April 23, 1984.

Together with the two reports that I transmitted on April 18, these complete the trip reports prepared by our contractors on the status workshop on BWIP geology held in Richland on March 13-15, 1984.

If you have any questions, please call me at FTS 427-4674.

Sincerely,

"ORIGINAL SIGNED BY"

Robert J. Wright
