NPO/ONWI BWIP SCA REVIEWQuestions and Concerns Resulting from Review

- What level of detail is necessary in SCP vs that necessary in license application?
- What is the position of NRC relative to status of issue resolution at LA?
- What methodology should be used to incorporate data into SCP to provide necessary detail and maintain readability?
- What level of concurrence on plans and procedures is appropriate during continuing site characterization and to what extent should detailed plans be incorporated?
- What is the most appropriate method for providing issue identification and logic and traceability?
- Chapter 10 format
- Procedures for data access
