This notice of meetings is being sent to you as a result of the July 19-20 meeting. It will be updated weekly and sent to you for your information. It reflects only meetings which we are aware of; therefore, if you are aware of a meeting that you would like to have appear on this list to facilitate planning among us, please phone the information to Ted Taylor (614/424-5916) so that the next notice can reflect that information.*

UPCOMING MEETINGS

January 31 - February 1 - Meeting in Columbus between USGS and ONWI contractors to discuss hydrologic modeling reviews.

February 9 - Planning meeting in Salt Lake City for information exchange (tentative).

February - Second Public Information Exchanges in Tulia and Hereford, Texas.
Topic: Shaft construction and water usage/depletion.

Late February - Information Exchange in Salt Lake City, Utah.

February 29 and March 1 - Second Information Exchanges in Monticello and Moab, Utah.

Topic: Near-term aspects of project (i.e., exploratory shaft).

*Note: An asterisk indicates a modification since last week.
