SUBJECT: NOTICE OF UPCOMING MEETINGS

This notice of meetings is being sent to you as a result of the July 19-20, 1983 meeting. It will be updated weekly and sent to you for your information. It reflects only meetings which we are aware of; therefore, if you are aware of a meeting that you would like to have appear on this list to facilitate planning among us, please phone the information to Linda McClain (614/424-5916) so that the next notice can reflect that information.*

The announcements of DOE meetings with NRC and other Federal agencies (which can be reached at the following toll-free telephone numbers: for calls originating in Maryland, 800-492-4610; for calls originating in the other 49 states, 800-368-2235) will be updated each Monday to reflect the information on this notice related to meetings with the NRC and other Federal agencies.

UPCOMING MEETINGS

January 16-17 - Amarillo Chamber of Commerce Study Committee to tour WIPP.

January 20-21 - American Society of Quality Control, San Diego, CA.
Robert Wunderlich to give presentation on Management Assessment of QA.

January 22-24 - NRC/SRP meeting in Columbus on Waste Package.

February 4-6 - SRPO to host ISCG in Dallas, Texas.

TBD - NRC meeting with DOE in Washington, D.C., to plan FY 86 meetings.
SRP to participate.

TBD - NRC meeting with DOE/RL in Washington, D.C., for BWIP Geochemistry Workshop. SRP to attend as observers.
