Those on Attached List

Ladies and Gentlemen:

BRIEFING ON BWIP STOP WORK ORDER/RESTART

This is to follow up the telephone conversation of May 14, 1987, between Messrs. R. P. Saget or M. L. Powell of my staff and you or members of your staff concerning the scheduled June 4, 1987, follow-on briefing on the BWIP Stop Work Order/Restart.

As was discussed during the March 17, 1987, briefing, a follow-on meeting to brief the affected parties would be scheduled subsequent to BWIP completing its assessment of Rockwell's restart actions. Based upon our review, those actions required to be performed to grant a partial lifting of the Stop Work Order will be completed in late May 1987. Therefore, as mentioned, a meeting has been scheduled for June 4, 1987, in Richland at the Rivershore Motor Inn, 50 Comstock Avenue. Attached for your information is the agenda for the meeting. The data package for the meeting is to be mailed on May 22, 1987. If additional information is desired, please contact either Mr. Powell on (509) 376-5267 or Mr. Saget on (509) 376-7250.

Sincerely,

John H. Anttonen, Assistant Manager  
for Commercial Nuclear Waste
