SUBJECT

FOLLOW-UP TO CALL OF OCTOBER 23, 1986 REGARDING CONFERENCE CALL WITH RHO ON VARIOUS ITEMS

SUMMARY

CONFERENCE CALL - Not yet set up. J. Mecca wishes to have a complete agenda (list) of discussion topics. NRL indicated this was provided on Oct 29 but repeated earlier request because Jim Mecca insists on being present at the time of the call and, because of other scheduling difficulties (RHO at NSA week of Nov 10th) no call can be possible until later. NRL requested and was given a conference call time of Nov 17 at 11am EST.

DOE biologist - Haven't reported for duty yet. Now scheduled for Nov. 10 arrival.

USIS Refraction Line - DOE has done nothing beyond Robey's 1985 SEA abstract. (RHO-BW-SA-435P).

CONFERENCE CALL - NRL requested Joe Price, Ann Tallman, Phil Long and Steve Reider be participants in the phone call.
