Mr. O. L. Olson, Project Manager
Basalt Waste Isolation
Project Office
U. S. Department of Energy
P. O. Box 550
Richland, WA 99352

Dear Mr. Olson:

Enclosed you will find a memorandum of April 29, 1985 to me from Kristin Westbrook. This memorandum was provided to Bruce Hurley in early May. During her visit to BWIP in late May, Kristin understood that progress was being made in answering the questions.

You will note that the memorandum centers on 29 BWIP studies that are noted in various project documents. We are interested in the progress/status/output of the studies. To this end we request, for each study, answers to questions 1 and 2, Attachment B.

If you have any questions on this, please call Kristin Westbrook (FTS 427-4532).

Thank you.
