Dear Dr. Wright:

STRAWMAN EA REFERENCE DISTRIBUTION PLAN

Per your verbal request of Friday, November 2, 1984, regarding the current listing of references in the BWIP EA, enclosed please find a rough draft copy for your information.

It is our plan to refine the enclosed reference list in the next week or so and initiate distribution of microfiche references as fast as they can be generated over the next several weeks. If you have any questions regarding this draft reference list, please contact J. E. Mecca of my staff on FTS 444-5038.

Very truly yours,

O. L. Olson, Project Manager
