I spoke to Paul de Jong this morning about the NRC visit. He has offered us Mr Rackhorst's secretary (Judith Slijkhuis) to co-ordinate everything including security. Judith rang me this morning and is available to help.

A plant tour has been arranged for the Tuesday 16 March and a conference room to work from for the 16,17 and 18. I said I would get a list of topics that the NRC want to discuss so that we can begin to put together an agenda for the whole visit.

For the classified work on the Thursday, Judith can co-ordinate with the Urenco (Netherlands) security officer to get clearances transferred, so it might be appropriate for Tim Johnson to contact Judith to ease the process. Or at least we could offer Judith's contact details.

Judith's details are ;
